Conversation And Dialogue By Susan

Conversation and Dialogue by Susan E. Brennan Definition and Overview Conversation is a joint activity in which two or more participants use linguistic forms and nonverbal signals to communicate interactively. Dialogues are conversations between two participants (although the terms dialogue and conversation are often used interchangeably).

Conversation and Dialogue by Susan E. Brennan

About the Author. Susan McCaslin-I have been writing since the age of twelve when I discovered the magic of great books and the power of poetic language. In graduate school at Simon Fraser in 1969, poetry found me again and became my life's deep vocation. My "luminous companions" include William Blake and the Romantic poets, Rainer Maria Rilke, Vernon Watkins, and Denise Levertov.
