The science of mind : Holmes, Ernest, 1887-1960 : Free ...

The Church of Religious Science and teachings of Science of Mind is a group who believes that teaching an individual how to think, versus what to think, can change life experiences. Through the higher awareness of their own thinking, God becomes all to them that He really is. According to Science of the Mind, this is God's gift to mankind.

Science of the Mind - AllAboutCults.org

At the heart of the Science of Mind philosophy is a practical and direct approach to spirituality. It invites us to meet life not with fear but with excitement and a sense of adventure; with the attitude that anyone who understands the Science of Mind can apply its ideas to create beneficial changes in their life.
