In each of the four corners of the classroom, an opinion or response is posted. Students express their opinion or response by standing in front of one of four statements, and then talking to others about why they have chosen their corner. Four Corners promotes listening, verbal communication, critical thinking, and decision-making.

Full text of "Four Corners Level 1 Student Book"

Four Corners is my favourite 4-skills book because the topics are interesting and the activities are engaging and interactive. It's focused almost exclusively on real-life communication between students, which is definitely my style. If the teacher-centered lecture style is more your way, you'll probably hate it.
