Give Me The Child is a standalone psychological thriller that starts with an OOMPH and continues until the very last page. I don't want to give anything away in my review except to say that if you enjoy twisted, twisty tales with creepy and violent kids, cheating husbands and a dysfunctional family that makes MINE look like The Waltons then you should absolutely read this book.

Give Me the Child by Mel McGrath - Goodreads

Give Me the Child was a gripping read right from the first page, from the moment of Ruby's arrival you could sense that nothing would ever be the same again for all concerned. As a specialist working in the field of disturbed and dangerous children Cat is used to spotting triggers and with this girl who is brought into her own home there are plenty of red flags that make her worry about the safety of those around her.
