Journal Articles On Nonverbal Communication

The nonverbal aspects of communication have been basic to survival since time began. Even Charles Darwin was involved in the study of nonverbal communication. In 1899, he published "The Expression of Emotions in Man and Animal," in which he concluded that nonverbal communication was a primary "mode...

The Art of Nonverbal Communication in Practice : The ...

Nonverbal behavior includes all communicative acts except speech. Communication means conveying information through signals. We use body language without being aware of it, perceive and interpret other people's body language. Three classes of nonverbal behavior are the verbal-vocal, nonverbal-vocal, and nonverbal-nonvocal.

Nonverbal Communication in Humans: Journal of Human ...

Abstract. Communication is carried on at many levels and through many channels simultaneously, and interpretation of a verbal message is dependent upon the manner in which it is conveyed and the gestures and expressions which accompany it. Nonverbal communication has been claimed to account for up to 93% of the impact of any verbal message.

Nonverbal Communication: An Essential ... - SAGE Journals

Abstract. The role of nonverbal signals in communicating affect is not well understood. Recent research has both emphasised and played down the importance of the nonverbal signals relative to what is said. A careful examination of the evidence shows that the data in favour of and against nonverbal dominance come from two different empirical...

Communicating Affect: The Role of Verbal and Nonverbal ...

The present article discusses models of nonverbal communication and then summarizes findings with regard to the nonverbal communication of emotions, via the face, voice, posture, touch, and gaze. A second section describes some newer research on dyadic synchronization and a final section discusses nonverbal cues in the context of first impressions.
