Drupal 8 Resources A Definitive Guide - ColorWhistle

This book is THE guide to Drupal 7, I have read 3 other books on Drupal 7 and as far as I'm concerned this book includes the same information and often a LOT more, particularly in custom theming from scratch. Before this book came out there was virtually nothing out there on creating and implementing a new region in the .tpl files.

There is an important correction to be made to the top-selling Drupal book, the Definitive Guide to Drupal 7. The slogan printed on the cover is incorrect. The book does not contain "Everything you need to know about Drupal"— rather, a central goal of the book is to show how to keep learning and growing within the Drupal community.
