legitimacy of government regulation when weighed against the rights and identities of individual gun owners.

Gunning of America: Business and the Making of American ...

The Gunning of America: Business and the Making of American Gun Culture offers a rich and wide-ranging history of American gun manufacturing, marketing, and mythologizing from the 1790s, when officials worried about the scarcity of domestically made guns, to the 1930s, when factories in the Northeast employing tens of thousands of assembly-line workers could churn out a quarter-million rifles a month. Drawing on a fertile archive of gun industry documents, including the overlooked records of ...

Pamela Haag. The Gunning of America: Business and the ...

Pamela Haag's book *The Gunning of America: Business and the Making of American Gun Culture*, offers a meticulously researched and beautifully written corrective to this mytho-poetic view of the gun. Haag, who received a PhD in history from Yale, takes the old journalistic maxim of "follow the money" and applies it to the American gun industry.
